

Homemade snowballs with small surprises

v16064

Make four snowballs decorated with artificial snow on the outside, containing a ball made from crepe paper inside, which reveals a small surprise once unrolled.

Comment faire

1 Roll a ball from crepe paper and place surprises between the layers of crepe paper, like, stickers, sweets or other small items. Place a larger surprise in the middle.

2 Apply two coats of white Plus Color craft paint to the two-part papier-mâché balls. Leave the paint to dry between each application.

3 Close the papier-mâché balls each with a crepe paper balls inside. Apply a coat of transparent multi glue gel and roll in artificial snow.

Eksempler The finished balls when closed.
