

A rabbit family with fabric decoupage

v16161

This wooden rabbit family is painted with rose Plus Color craft paint. The rabbits are decorated with patchwork fabric attached with decoupage allround matt lacquer. The eyes are painted using a black Plus Color marker.

Comment faire

1 Copy the outlines of the rabbit family's bodies onto a piece of paper to make templates. The templates will be used for copying onto the fabric.

2 Cut out the paper templates.

3 Paint the edges of the rabbits using craft paint. Apply a bit of paint onto the bellies where you will be gluing the fabric on.

4 Cut out the fabric and attach it onto the rabbits with decoupage lacquer.

5 Cut out small flowers and bow ties from fabric. Cut out the bow ties from double-layered fabric.

6 Attach the the flowers onto the ears and the bow ties around the neck using decoupage lacquer.

7 Varnish the heads with decoupage lacquer. Leave to dry. Draw the eyes with a black Plus Color marker.
