

Storage made from bamboo fibre decorated with bio glitter

v15963

Make a storage organiser from environmentally friendly bamboo fibre flower pots which are decorated with details made from biodegradable glitter. Use the storage organiser for storing make up or hair accessories, cotton pads or similar for the bath room.

Comment faire

1 Vask emnerne af bambusfibre, så de er rene og fedtfri. Påfør lim eller lak der, hvor glimmeret ønskes.

2 Vask emnerne af bambusfibre, så de er rene og fedtfri. Påfør lim eller lak der, hvor glimmeret ønskes.
