This is how to do it: Cut out simple decorations from glazed paper.

2 Attach the cut-outs onto the paper bag using a glue stick.

3 Or: make handprints for Father Christmas' beard and hat using finger paint.

4 Make the eyes and the mouth with finger prints.

A tip Fasten the bags with a beautiful ribbon or lovely pegs as in this photo. If you want to use the bags for an Advent calendar, stamp numbers onto the bags.
