Comment faire

1 Paint the angel.

2 Make dots with the end of a brush.

3 Cut hair from paper yarn, glue it on. You could make a hairdo by twisting the hair round, then attach with some glue.

4 Cut a piece of a silver pipe cleaner.

5 Twist round to make a halo and glue it on.

6 Glue felt flowers together to make a flower chain and then glue it onto the angel's hands.
