

The three wise men

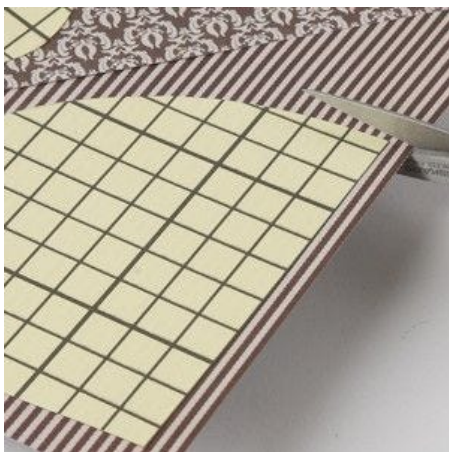

v1262

The three wise men are made from papier-mâché cones decorated with Vivi Gade Design Paper.

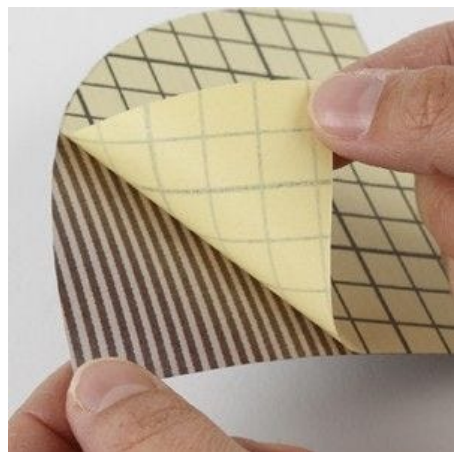

Comment faire

1 Draw the templates onto a piece of double-sided foil.

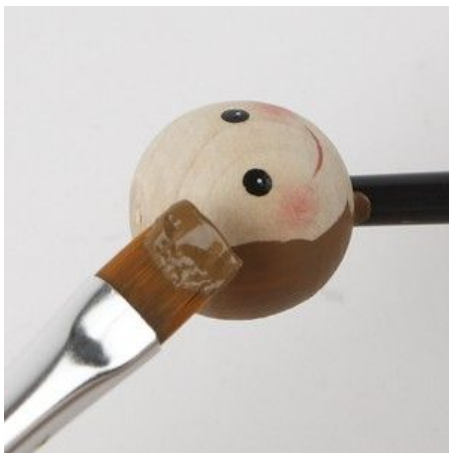

2 Remove the protective layer on one side of the double-sided foil, attach it onto the Vivi Gade paper and cut out.

3 Remove the protective layer on the other side of the double-sided foil.

4 Attach the paper to the cone.

5 Paint one of the men's face and hands brown.

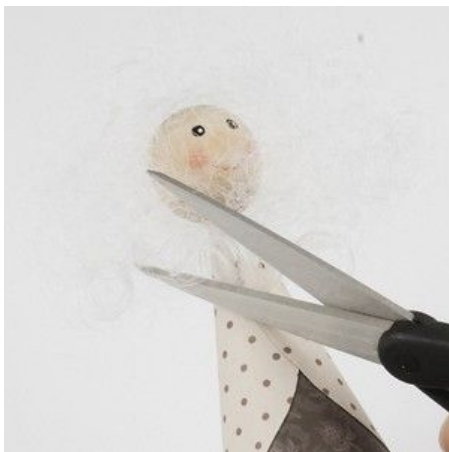

6 Glue the heads on.

7 Glue the beard and hair on.

8 Trim the beard and the hair to a suitable length.

9 Use the template for cutting out a hat.

10 Assemble the hat using double-sided adhesive tape and attach it to one of the wise men.

11 Glue a crown onto the head of one of the wise men.

12 Twist paper raffia ribbon around the head of one of the wise men and glue in place.

13 Glue hands on all the wise men.

14 Glue two bead caps together.

15 Glue this between the hands of one of the wise men.

16 Twist a piece of bonsai wire to make a shepherd's crook and glue it on.
