

A Step-by-step Booklet

v12292

Print easy step-by-step instructions from our website in a format which makes it easy and straightforward to fold into a Z-fold format.

Comment faire

1. At the top of each idea there is a "step by step" button.

2. Print page one first.

3. Turn the paper over and put it back into the paper draw of the printer. Print page two.

4. Note that the paper has been turned in the right direction. You may make a test print.

5. Fold according to the fold marks as shown in the photo.

6. There is a space for the dealer's stamp on the front.

7. Please note that for various ideas, there is an associated template which can be found at the bottom of the idea page. Remember to print out the template as well.
