

## Christmas Reindeer

v12121

The reindeer are dabbed with Pop Up Line, sprinkled with glitter and popped up either with a heat gun or in the oven.

### *Comment faire*

**1.** Dab the reindeer with Pop Up Line. Apply the Liner onto the reindeer, with a generous amount of Liner on the brush, by moving the brush up and down.

**2.** Immediately sprinkle glitter onto the reindeer. Now let the Liner dry completely.

**3.** When dry, pop up the Liner either with a heat gun or in the oven at 150° C for no more than 3 minutes.
