

Felted monsters

v753

Comment faire

Step 1 Use the model to draw the monster on felt. Make both a front and back.

Step 2 Cut out the two halves

Step 3 Sew the halves together with running stitches. (Use for instance embroidery yarn, either all threads or 3 threads for more clearly stitches)

Step 4 Fill out en route so all details is filled out. You can use a knitting needle

Step 5 Finish up sewing and fill in the last pillow stuffing.

Step 6 Cut out the felt details using the model and glue them on.

Step 7 Draw details with a textile pen and 3D liner.

Step 8 The result could look like this.
