

Lace Necklace

v11035

Comment faire

1 Cut 3 equally long pieces of lace and chain to a long necklace. The laces are fitted in separate cord ends which are squeezed together. Attach them in an round jump ring together with the chain.

2 Together with the chain the laces are attached to a round jump ring.

3 Attach a round jump ring in the middle of the necklace where a drop pin has been attached.

4 3 beads and 3 pieces of chain are attached to the drop pin.

5 Screw on the ball end to the drop pin, and the chain is complete.
