

Colourful Peacock Jewellery

v10645

Metal Ring Links wound with Soft Jewellery Wire and rocaille beads. Small metal charms and metal beads are added and used as decoration on the French Ear Wire and the necklace made from macramé cord.

Comment faire

2 Peacock jewellery can transform any average outfit into a masterpiece. Wire jewellery is the highest fashion at the moment and also very easy to make.

1 Wind soft jewellery wire with rocaille beads around the ring. Arrange the beads on the outer side of the ring. Then make the decoration inside the ring and use the rocaille beads to manage the wire. Finally, squeeze the bead cap flat and use it as a stylish pendant.
