

Chain and bracelet with pearl shells

v11273

Comment faire

1 Thread various beads onto your chosen number of beading wires.

2 Assemble the bead tip and the crimp bead on the wire. Squeeze the bead tip flat using flat nose pliers. Trim the excess wire. Close the bead tip around the crimp beads.

3 Fill the wire completely before closing at the other end.

4 Attach a round jump ring in one end and a round jump ring with a fastener in the other end.
