

Necklace with pendants

v11267

This necklace is made of several chains in various designs. Assemble the chains with round jump rings and attach a clasp and a pendant.

Comment faire

1 Attach round jump rings and clasp in an approx. 55cm long chain.

2 Attach large round jump rings in the chain approx. 16cm from the clasp. Attach 5 chains of various designs and lengths on the round jump rings.

3 Attach various pendants. Attach them randomly on the chain.

4 Attach a pendant to the round jump ring and attach to the chain.
