

The children's Christmas project

v11126

On this page we present some children's suggestion to this year's Christmas Easy Kit.

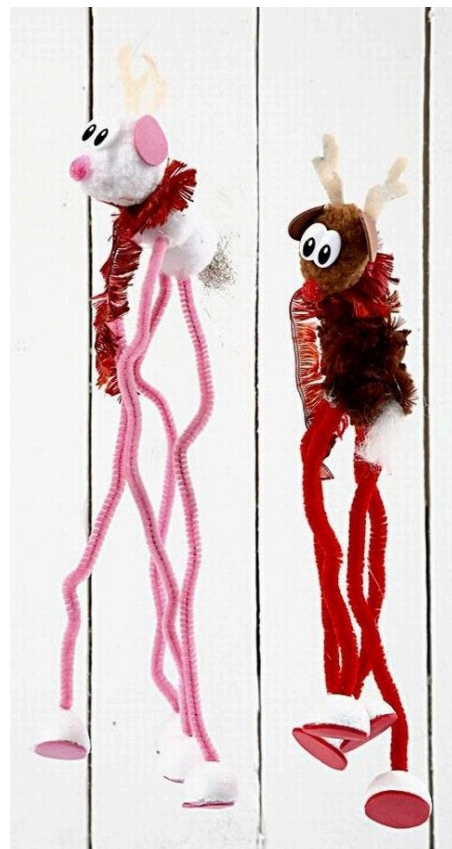

Comment faire

Layered reindeer Foam rubber circles glued together with a glue gun have been made into reindeer with wooden beads, die-cut card antlers and funny eyes.

Colourful pom-pom reindeer Foam rubber circles glued together to make reindeer bodies, heads of pom-poms with wiggle eyes glued on and die-cut card antlers also glued on. Pipe cleaners used as legs and pixie hats.

Long-legged creatures Pom-poms used as bodies and pipe cleaners as legs. Wiggle eyes and foam rubber circles glued on.

Flying imaginative animals Cotton eggs used as the head, pom-poms and pipe cleaners glued on with funny eyes. Finally put onto a peg.

Quirky gnomes in hiding Heads of cotton egg glued into a felt cone. Funny eyes glued onto the head and pipe cleaners used as pixie hats. Hair made from gold lametta.

Disco pixies Pixies made from pipe cleaners, head and hands made from pom-poms and hats made from felt.
