

Happy pixies in a row

v11116

The Teach Me boys and girls have here been dressed in pixie clothing made from Vivi Gade Design papers. The pixies look good in a row or a circle.

Comment faire

1. Cut out the clothes using the template in design paper. Where the dresses are adjacent, cut off at the dotted line.

2. Draw up the face, hands, feet and socks using a pen.

3. Glue on the clothes with a glue stick.

4. Glue on the button and pom-pom.
