

Porcelain mug with Color Dekor letters

v11572

It is wonderful to spell whatever you want ... or can. Letters are fascinating for young children and this activity is fun for preschoolers, but also a wonderful gift idea. Here is a mug used as a pencil holder with letters in Color Dekor. The letters are cut out, put in water and transferred to the mug. If you wish you may supplement with coloured Color Dekor w, which can be cut into designs. Harden the mug in the oven at 180 degrees for 30 minutes.
