

## A Tray Notice Board

v11532

A lovely notice board made from a serving tray painted with blackboard paint and Plus Color. Decorated with paper and cut-out text and designs. Hung in a chequered ribbon decorated with glass beads.

### Comment faire

**1** Paint an area lengthwise with blackboard paint. Let it dry and then paint the same area across. Let it dry.

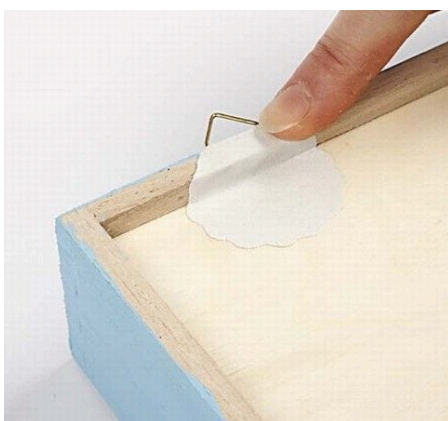

**2** Paint the rest of the tray in your chosen colour.

**3** Die-cut text and a house using the Big Shot Machine from patterned paper or card.

**4** Blacken the edges with Paper Soft Color.

**5** Attach picture hangers onto the back of the tray. You may secure them with a small nail or a staple gun.

**6** Attach a ribbon for hanging. Decorate with some glass beads.

**7** Attach paper or card onto the tray with 3D-Liner.

**8** Tie a piece of chalk onto one handle and put on a few decorative items
