

A Trendy Necklace

v11511

In a combination of pendant charms, leather and glass charm beads. They are quick and easy to make.

Comment faire

1. Gather the charms in three silver rings with oval jump rings.

2. Double over piece of leather cord measuring approx. 110cm and pull it through the rings.

3. Thread the glass charm beads onto the doubled over leather cord.

4. Double over the two cord ends and tie an adjustable knot in each side. See the next steps: 5, 6 and 7.
