

Place cards with flowers

v11444

A tag made from card, decorated with swirls and flowers punched out on the Big Shot die-cutting machine and tied onto a glass with paper raffia.

Comment faire

1 Cut a piece of green card measuring 9 x 4.5cm. Cut a point at one end. Glue this piece onto a piece of pink card so that a 2mm pink edge is protruding. Make a hole for hanging in the point. Punch out flowers and swirls on the Big Shot die-cutting machine and glue them onto the card. Decorate with dots from a Paper Pen. Tie the card onto the glass with paper raffia.
