

Table decoration

v11406

Maritime wooden decorations painted with Plus Color. They are glued onto fruit boxes using a glue gun. Paper crabs are made with Fiskars shape template and decorated with Gloss Gel and Paper Pen.

Comment faire

1 Cut a number of blue and red crabs. Decorate with water droplets made with Gloss Gel. Put a long piece of net scarf in the middle of the table and decorate with crabs and maritime wooden decorations painted in matching colours. Take two light houses and paint them with Plus Color to match the rest.
