

A Laminated Flower Card

v1139

Comment faire

2 A piece of laminated pearlescent card with inserted flowers decorated with organza ribbon. The text is written with power liner markers.

1 Place dried flowers inside a laminating pouch.

2 Feed the pouch through the laminating machine.

3 Trim the plastic pouch afterward the laminating so that it fits the card.

4 Fold the plastic card in the middle. Write text with a permanent marker.

5 Trim the card and score a fold.

6 Assemble both cards and tie them together with a piece of ribbon.
