

Fabric belt

v11387

The textile belt is drawn up with a fabric marker and decorated with chipboard buttons and rhinestones.

Comment faire

1 The grid is drawn with a disappearing pen. One corner to the other corner measures 8cm.

2 Draw the grid with a fabric marker.

3 Glue rhinestones onto every intersection with a Hot Fix Applicator. How: Pick up the rhinestones by holding your finger over the hole on the shaft. Move your finger when the tip is pressed down onto the material. The rhinestone is fixed securely.

4 Sew on chipboard buttons in all the whole squares.
