

Invitation with a butterfly

v11380

A punched out butterfly laminated and decorated with 3D liner. The butterfly is mounted on the card with power tape, and decorated with a punched out swirl in cork.

Comment faire

1 Put black and coloured paper onto the die cutter. Put an acrylic cutting pad above and below.

2 Run the whole assembly through the Big Shot machine.

3 Assemble the parts.

4 Glue with Clear Marker.

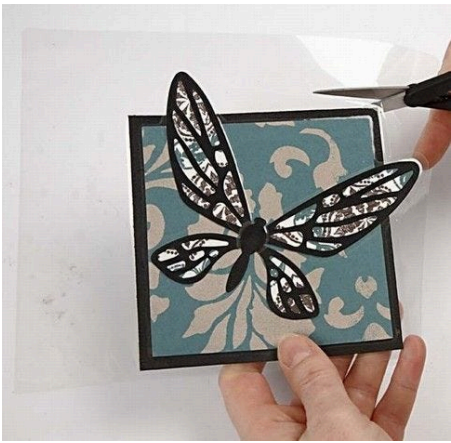

5 Cut a piece of black card measuring 11 x 11cm and a coloured piece measuring 10 x 10cm. Assemble the two cards and glue the butterfly parts together with double-sided adhesive tape.

6 Run it through the laminating machine.

7 Trim approx. ½cm from the edge of the card.
