

Reindeer with a Felt Blanket

v11828

Needle felt a blanket and little foot covers for the reindeer.

Comment faire

1 Paint the reindeer with brown Plus Color and sprinkle glitter on the antlers before the paint dries.

2 Needle felt a blanket using the light wool.

3 Then needle felt an identical pattern onto the both ends of the blanket.

4 Remove the felted piece from the needle felting foam pad and felt a large piece to be used as a cover or legwarmers for the hooves. Use the same procedure as used for the blanket.

5. Cut four equal pieces to fit the circumference of each leg. Glue on the blanket and the hoof covers using a glue gun.
