

Papier-mâché Mini Baskets

v11808

Papier-mâché mini basket with napkin decoupage and creamy metal gloss gold wax.

Comment faire

1. Paint a small area with Plus Color in the front middle of the basket as well as the entire inside of the basket.

2. Now rub Inka Gold creamy metal gloss wax onto the outside of the basket. Apply with a finger and rub it evenly all over.

3. Cut out a design from the napkin and pull off the back layer of the napkin.

4. Attach the motif onto the white painted area on the front of the basket using VTR adhesive.

5. Use a Viva Decor Paper Pen for the finishing touches.
