

The Pixie is doing his Laundry

v11753

Cut out the miniature clothing from felt using the template. Sew together by hand. Decorate with buttons and a patch on the trousers.

Comment faire

1. Cut the clothes from felt using the template. Remember two mittens and two socks must be cut as mirror images. Fold the felt in two. Place the jacket at the doubled over fold before cutting.

2. Sew the parts together with small external back stitches. Cut up the jacket at the front.

3. Cut narrow strips for braces. Buttons and a patch are sewn or glued onto the trousers and the jacket. Glue a pom-pom onto the hat. Attach the clothes onto a string using mini pegs.
