

Money boxes with A-Color Glass

v11714

Here we have decorated these lovely money boxes with A-Color Glass and added a black Glass and Porcelain Marker as well as Art Metal Gold paint. A really fun activity for all ages. You may make dots with Art Metal Gold Paint using a foam stencil brush. Use a good quality flat all-round brush with nylon synthetic hair.

Comment faire

1 Paint the terracotta money box with A-Color Glass.

2 Decorate and draw with Art Metal Gold Paint and/or black Glass and Porcelain Marker.
