

A Decorated Ring Binder

v12059

Hand-made paper and cork is glued onto the ring binder. It is painted with Plus Color and decorated with die-cut designs, die-cut text and a leather cord.

Comment faire

1 Use masking tape to cover a small area of the spine and paint the exposed area on the spine with Plus Color. Remove the masking tape immediately. Paint the die-cut designs.

2 Cut a piece of hand-made paper and attach onto the front of the binder with VTR adhesive.

3 Glue on a piece of cork. You may also glue a small piece of cork onto the spine.

4 Die-cut letters on the Big Shot machine.

5 Glue on text.

6 Tie a leather cord around.

7 Glue on the painted die-cut designs.
