Hanging Christmas Decorations for the Window

v12032

Lovely punched out cardboard Christmas designs are painted with A-Color mat. When dry, paint with A-color Allround medium glue lacquer and sprinkle with glitter whilst the glue lacquer is still wet. Use a ribbon from the Vivi Gade Design, the Helsinki series, for hanging.

Comment faire

**1** Paint the cardboard Christmas design with A-Color mat.

2 Apply A-color Allround medium glue lacquer onto the cardboard Christmas design.

3 Sprinkle glitter on top of the glue.

4 Attach special double-sided adhesive tape onto the backs of the cardboard Christmas designs.

5 Put a piece of Helsinki fabric ribbon on top of the special double-sided adhesive tape.

6 Put the cardboard designs back against back on top of the ribbon and special double-sided adhesive tape.
