A Bracelet with Wool Beads

v11979

Thread wool beads onto pieces of beading wire with rocaille beads in between.

Comment faire

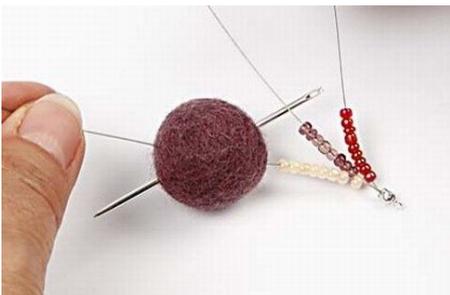

1. Assemble three pieces of beading wire with a bead tip and a crimp bead. Squeeze the crimp bead flat.

2. Close the bead tip around the crimp bead.

3. Thread seven or eight rocaille beads onto each beading wire.

4. Push a needle through the wool bead and then randomly push the beading wires through the wool bead.

5. Gather the wires once more with a bead tip and a crimp bead when a sufficient number of wool beads are put onto the bracelet.

6. Attach the round ball clasp for the loop in the bead tip.
