

## A Sparrow

v11967

A card made from recycled paper decorated with Vivi Gade Design Paper from the Oslo and London series. Decorated with a wood button.

### *Comment faire*

**1** Cut a piece of brown paper measuring 9.5 x 9.5cm and a piece of blue paper measuring 8.5 x 8.5cm. Cut out two designs from the design paper – glue Metallic Card onto the reverse of one of the designs. Cut the edge with a pair of decorative edged scissors.

**2** Attach all the parts onto the card using double-sided adhesive tape, except the bird which is attached with 3D foam pads.

**3** Finally decorate with a wood button and fix blue embroidery floss through the button fixing holes. Use a glue gun.
