

A Bird Card

v11965

A hand-made gold card with paper and a design from the Vivi Gade Design the Skagen series. Decorated with cork, ribbon and rhinestones.

Comment faire

1 Cut a piece of dotted paper measuring 4.5 x 15cm and attach this to the card using double-sided adhesive tape.

2 Attach two pieces of ribbon with Power Tape.

3 Cut a bird design from the Design Paper and attach this to a piece of cork using Power Tape (slightly bigger than the bird design). Then attach the bird onto the card using 3D foam pads. Finish by decorating with some rhinestones in each of the bottom corners.
