

An Owl Card

v11963

Made on a blank card using Vivi Gade designs in the Stockholm series. Decorated with Vivi Gade ribbon and dots/semi-circular pearls made with a Paper Pen.

Comment faire

1 Cut off 2cm from the front of the card.

2 Cut a piece of Design Card measuring 12.7 x 12.7cm (or 5" x 5") and punch with a Fiskars Border and Corner Punch.

3 Cut away the outer edge and glue the card onto the inside of the blank card.

4 Cut out three small owls from the Design Paper and glue them onto a piece of Design Card. Then cut out the owls again – this time with a small edge protruding.

5 Glue the owls onto the front of the card. In order to place them at an equal distance, start with the top and bottom. The last owl is centered between the two.

6 Cut a piece of patterned paper measuring 10 x 12cm and fold it lengthwise at 6cm. Glue this onto the card as shown.

7 Cut a piece of ribbon measuring approx. 50cm and put it around the front of the card. (You may use Power Tape to hold the ribbon in place). Then tie a bow.

8 Finally make some small semi-circular pearls with a Paper Pen.
