

A Father Christmas Hat with a Faux Fur Edge

v11957

The Father Christmas hat is very easy to make. A piece of square felt is cut and sewn and a piece of string is tied to the top of the hat. Faux fur is sewn on with tacking stitches.

Comment faire

1 Cut a piece of felt measuring 0.45m x the circumference of the head + 4cm for the seam.

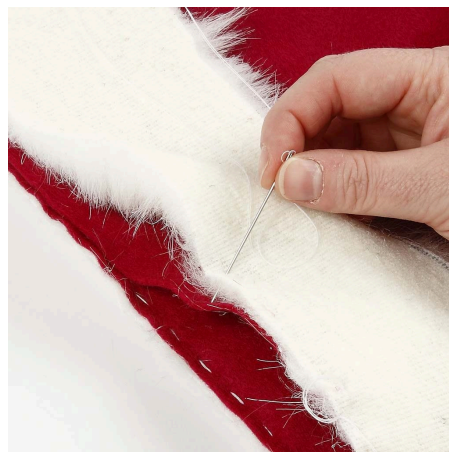

2 Cut a piece of faux fur (7-10cm x the circumference of the head + 5-6cm for the seam).

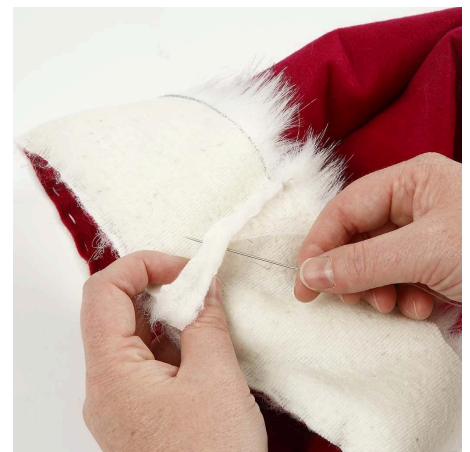

3 Sew the felt together (on the 0.45m length) with 1cm seam.

4 Tie a piece of string or yarn around one end of the felt tube to make the tassel of the hat and tie a knot.

5 Sew on faux fur with tacking stitches. Start from the seam of the felt hat (the back).

6 Bend up the fur edge and sew the edge at the back last. Cut off any excess fur beforehand.
