

Decoration on Papier-Mâché

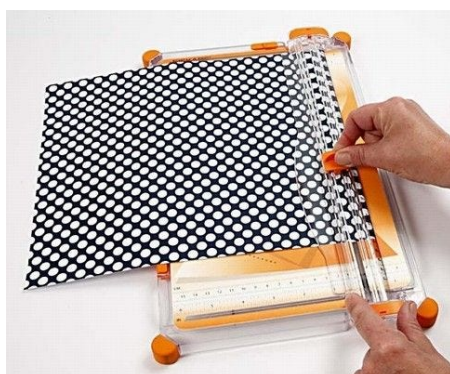

v11944

Bird boxes painted with Plus Color and decorated with Vivi Gade Design Paper (the London series).

Comment faire

1. Paint the sides of the boxes and partially along the edge of the lid. Let it dry.

2. Cut paper strips for the sides of the boxes using a Fiskars high precision paper trimmer.

3. Draw onto Design Paper using the bird box lid as a template and cut out.

4. Attach the parts using special double-sided adhesive tape.

5. Cut out the wings using the template and attach them onto the bird box lid using 3D foam pads.
