

A Christmas Heart from London Design Paper

v11930

A simple woven Christmas heart decorated with cake napkins.

Comment faire

1. Draw the heart and the handle on London Design Paper using the template and cut out.

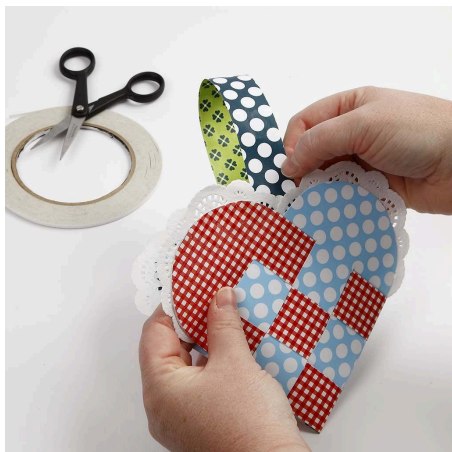

2. Weave the heart.

3. Decorate the heart with cake napkins. You will need four cake napkins which are attached using double-sided adhesive tape.

4. Attach the handle with double-sided adhesive tape.

5. Cut out a bird design. Make a rosette with this and the cake napkins. Cut out the middle of the cake napkin. Make small pleats with the lace border when attaching it to the bird motif with double-sided adhesive tape.

6. Attach the bird design rosette to the heart using double-sided adhesive tape.
