

A Cone Angel

v11927

Make the angel using a punched-out cone which is painted with Plus Color. Cut the dress and wings from Vivi Gade Design Paper (the London series). Finally decorate with a cake napkin, hair and bead caps.

Comment faire

1 Paint the punched-out cone with Plus Color.

2 Draw the dress using the template and cut out.

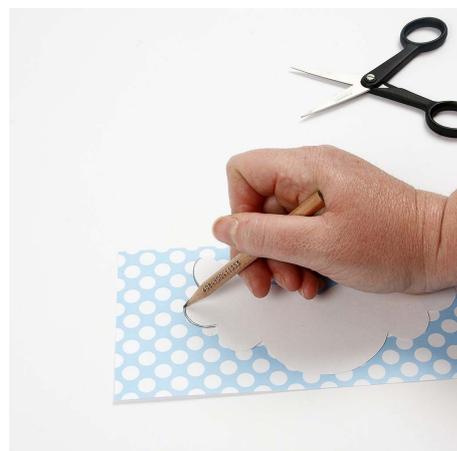

3 Attach the dress onto the cone using special double-sided adhesive tape and decorate with a paper lace border.

4 Attach a piece of a cake napkin onto the angel as a collar. Assemble the cone using special double-sided adhesive tape.

5 Paint a face on a cotton ball before attaching it onto the tip of the cone with a glue gun.

6 Draw the wings using the template and cut out.

7 Attach half a cake napkin to each wing using special double-sided adhesive tape and then attach the wings to the angel with a glue gun.

8 Attach the hair, bow and silver bead caps onto the angel using a glue gun.
