

A Heart Garland

v11886

A simple garland of padded felt hearts sewn onto a ribbon.

Comment faire

1. Paint the wood buttons with Plus Color and let them dry.

2. Cut out twelve hearts using the template.

3. Sew the hearts together but leave an opening of 5cm to the heart can be turned inside out. Stuff with polyester stuffing.

4. Sew the hearts onto the ribbon at the same time as sewing the buttons onto the hearts; all in one process.
