

Slender Paper Cones

v11881

Cut the cones using the template and decorate with sequin ribbon and coloured feathers.

Comment faire

1 Draw the cone using the template and cut out.

2 Assemble the cone with double-sided adhesive tape.

3 Attach sequin ribbon around the cone using double-sided adhesive tape. Start at the tip of the cone with tape and ribbon and finish at the top with at handle (don't apply tape on the reverse of the handle).

4 Cut a piece of gold decorative trim and glue it onto the top edge of the cone using double-sided adhesive tape.

5 Also attach a small strip of decorative trim with rhinestones onto the top edge of the cone.

6 Finally attach a small feather on top by the decorative trim.
