

Cone Pixies from Vivi Gade Design Paper and Silk Clay

v11868

Cones decorated with Vivi Gade Design Paper. The faces are made from Silk Clay and the beard is glued on with a glue gun. The hat is cut using a template with a pom-pom glued on.

Comment faire

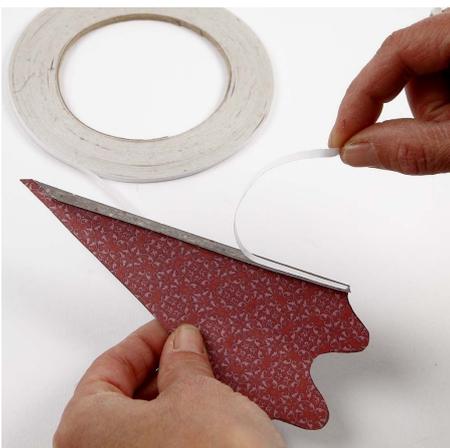

1. Cut the paper for the cone and hat using the template.

2. Glue the paper onto the cone.

3. Fold over the edge of the hat.

4. Attach double-sided tape onto the edge.

5. Glue the hat together.

6. Put a piece of Silk Clay inside the hat.

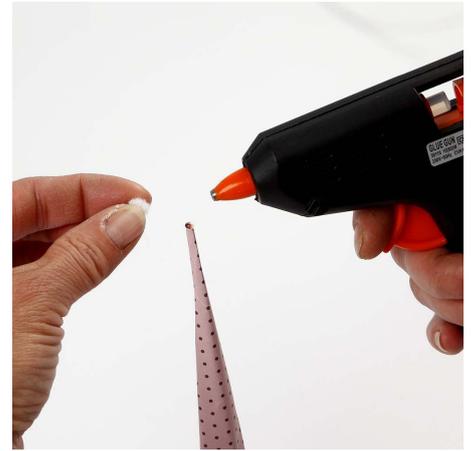

7. Attach the hat onto the cone.

8. Glue on the beards.

9. Cut off a small of the tip of the hat and glue on a pom-pom.

10. Form the face and attach beads for eyes.
