

## Angel Wings with Decorative Ribbons

v11859

These wings are made from beads on an eye pin glued onto a feathered wing and finished with a lovely ribbon for hanging.

### *Comment faire*

**1** Put a couple of beads on an eye pin.

**2** Bend to make a large loop in one end of the pin.

**3** Glue the small loop onto the top of the feathered wing using a glue gun.

**4** Finish by putting a decorative ribbon through the large loop and hang the wing on the Christmas tree or in the window.
