

Wood Slices with Snow Effect Paste

v11831

The most beautiful and natural hanging decoration are made from these wood slices with Snow Effect Paste and natural twine.

Comment faire

1. Drill a small hole at the top and bottom of the piece of wood.

2. Draw a pattern with a pencil.

3. Draw the pattern with Snow Effect Paste.

4. Tie a tassel from natural twine. Tie it onto the piece of wood.

5. You may drill a hole in a small wood disc and pull this onto the piece of natural twine to be used for hanging.

6. Assemble with the small piece of wood. Hang the decoration.
