

## Silk Clay on a Papier-Mâché Face Mask

v12341

The papier-mâché face masks are covered and decorated with either black or white Silk Clay. The masks are patinated with Art Metal Gold or Silver Paint applied with a flat foam brush or a foam stencil brush.

### *Comment faire*

**1.** Cover the papier-mâché mask with a layer of Silk Clay and then form the face.

**2.** Make hair from small Silk Clay balls which have been cut in half and then attached.

**3.** Attach a picture hanger onto the back of the mask using a glue gun.

**4.** Dab the mask with Art Metal paint using a foam stencil brush.
