

Canvas for Jumping Jacks

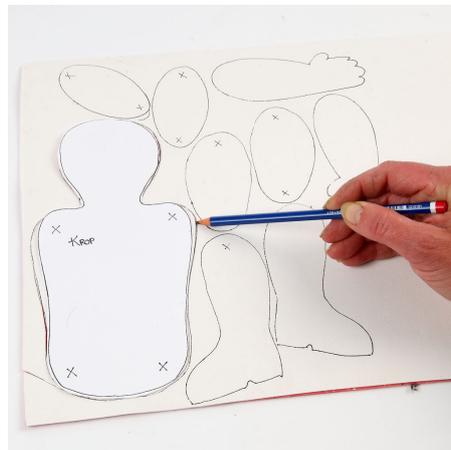

v12316

These doll shaped canvas figures are cut from templates and painted with Plus Color. Attach foam rubber to the back. With holes at all the joint. Assemble the canvas figure with paper clips/paper binders.

Comment faire

1 Attach foam rubber to the back of the cotton canvas using double-sided adhesive tape.

2 Draw the parts onto cotton canvas using a template.

3 Make holes in the cut out parts according to the template. Assemble the body parts by inserting paper binders through the holes.

4 Paint the body parts with Plus Color craft paint and decorate further with a black marker.

5 Attach a piece of string for hanging the finished jumping jack football players.
