

Colourful Cards - Life's Celebrations

v12300

Color Bar paper and cardboard are glued onto black card. Decorated with decorative football ribbons and football brads.

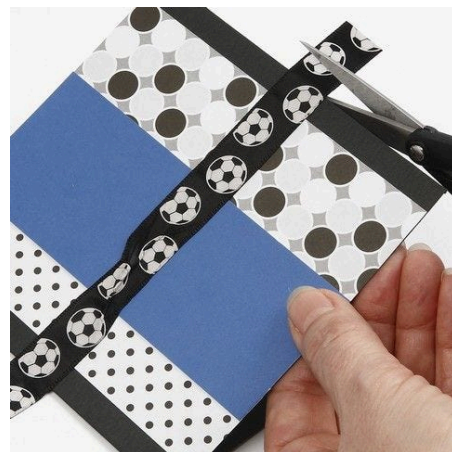

Comment faire

1. Cut a piece of Color Bar paper measuring 10.5 x 12.5cm in half and turn over one of the pieces of paper. Attach the Color Bar pieces of paper onto the card using double-sided adhesive tape.

2. Attach a piece of blue card measuring 5 x 12.5cm onto the card using double-sided adhesive tape.

3. Stick two strips of double-sided tape onto a piece of decorative football ribbon. Attach this to the card. Scrunch it slightly as shown and cut the ribbon flush with the card.

4. Glue together a piece of ribbon measuring 6cm and attach it onto the inside of the front of the card.

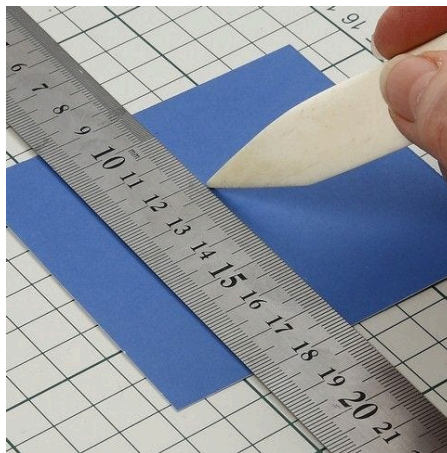

5. Double over a piece of ribbon measuring approx. 11cm and gather it with a football brad. Push it through the front of the card.

6. Glue a printed photo onto a piece of card measuring 6 x 4.5cm. Attach this onto the card using 3D foam pads.

7. You may use a white gel pen for writing the invitation on the black card.

8. Cut two pieces of blue card measuring 9 x 9cm and 9 x 4.5cm for the menu card and the place card. Fold both pieces of card over using a bone folder or a blunt needle. Decorate the cards and glue them onto a piece of white card with text/name.
