

## Jewellery with Fish

v12279

This is a lovely necklace with beautiful pendants made on silver-plated wire or jewellery pins. The pendants are attached to a jewellery chain.

### *Comment faire*

**1.** Put beads onto an eye pin and attach this to a piece of jewellery chain by twisting the pin to make a loop.

**2.** To make a pendant, put beads onto a ball head pin, twist to make a loop and twist the end of the pin around itself and nip it off.

**3.** Attach the pendant onto the chain with a round jump ring.

**4.** Attach round jump rings to both ends of the chain. Attach a lobster claw clasp to one of the round jump rings.

**5.** Put the silver fish onto a ball head pin. Twist to form a loop using round nose pliers and twist the end of the pin around itself and nip it off.

**6.** Attach an eye pin through the loop of the ball head pin of the silver fish. Then put a bead onto the eye pin, turn the pin around itself and nip it off.

**7.** Attach a French ear wire to the fish pendant by opening and closing it.

**8.** On a piece of 0.8mm silver-plated wire, twist to form a loop.

**9.** Put the fish parts onto the wire and nip off the excess wire leaving approx. 1cm.

**10.** Twist to form a loop.

**11.** Attach the pendant to the chain using a round jump ring.
