

## An Art Canvas with a Crackling Heart

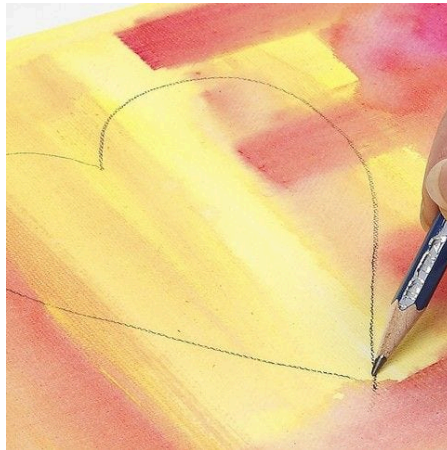

v12265

Art Proff artist paint is mixed and diluted with water. Crackle Lacquer is spread on. The crackling starts after a couple of hours.

### *Comment faire*

**1.** Mix the base colours with water and apply whilst wet.

**2.** Draw a heart using a pencil.

**3.** Apply a generous 2-4mm layer of Crackle Lacquer. Mark the circumference of the heart with the end of the brush. The crackling will start after a couple of hours.
