

Cards for a Wedding with Skagen Paper

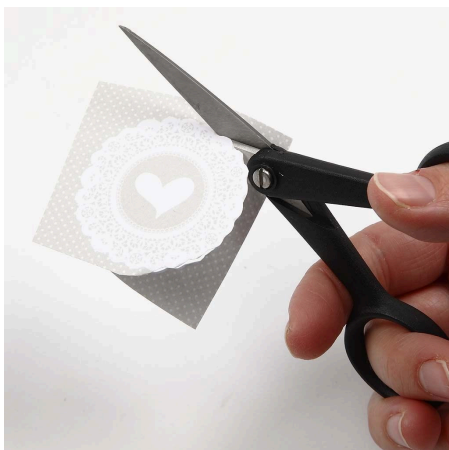

v12259

The cards are made from different sorts of Vivi Gade Design Paper (the Skagen series) attached to pearlescent cards. They are decorated with beautiful satin ribbon with lightly wadded hearts and adhesive rhinestone half-pearls.

Comment faire

1. Cut out paper and card in various sizes and attach to the card with double-sided adhesive tape.

2. Cut out heart designs from the Vivi Gade Design paper.

3. Attach the hearts to the card with 3D foam pads.

4. Attach the adhesive rhinestone half-pearls.

5. Cut out a small tag and make a hole.

6. Attach the satin ribbon with lightly wadded hearts using double-sided adhesive tape.

7. Attach the small tag.
