

A Necklace made from Macramé Cord

v12251

This necklace is made with a piece of macramé cord which is glued into an end cap. A pendant is attached with an oval jump ring and a swivel clasp.

Comment faire

1. Cut a piece of macramé cord to the desired length. Glue the ends into an end cap.

2. Attach a pendant with an oval jump ring and a swivel clasp.

3. Open and close the swivel clasp in the loop of the end cap.
