

## A Necklace with a Pendant

v12250

Necklaces made with macramé cord or faceted beads on a beading wire. With pendants attached.

### *Comment faire*

**1.** Necklace A: Put a metal cone and a bead onto an eye pin. Then twist to form a loop.

**2.** Before closing the loop completely, attach the pendant. Put a glass faceted teardrop shaped bead onto a ball head pin and twist to form a loop. Connect the parts with an oval jump ring.

**3.** Connect the ends of the macramé cord and glue them into the metal cone.

**4.** Necklace B: Attach the pendant onto a beading wire with an oval jump ring.

**5.** Thread small faceted beads onto the wire.

**6.** Close with a bead tip and crimp beads.

**7.** Attach oval jump rings and a clasp.

**8.** Earrings: Attach an eye pin onto a French ear wire. Attach a bead and twist to form a loop.

**9.** Connect the French ear wire and the pendant with an oval jump ring.
